In order to obtain maximum Hybrid-Vigor in your crossbreeding program, Brahman bulls are a necessity. They produce those F1 females that are in demand all across the country as mother cows. Also, with steer prices higher than they have ever been, the Brahman-sired steer calves are bringing Top Dollar at sale barns everywhere. Whether you are interested in raising replacement females or top feeder calves, the "Extra Dividends" you will receive from using a McKellar bred bull will put more Dollars in your pocket, more often, than your present bull.

THE BIG INFLATION BATTLE LINES FORM ...

MOVING? Please use form inside paper and give full information. Meaning let it run on Friday for following week.

Now that we have before us the long delayed Carter Plan Phase II to stamp out inflation if you don't thoroughly confused you have got to be in an elite group of people all of whom you could load into a Volkswagen, without crowding. One of the conclusions that arises immediately is that it is going to be very difficult to pile the tail on any of the donkeys you or me blame for the problem.

For instance, President Carter asks business to hold down prices and asks labor to settle for less in wages. Neither business or labor is likely to buy the proposition and will undoubtedly be able to make a good case proving they are not guilty. The idea that executive government opposition is really of the bottom of the problem seems to be agreed all around, but the idea that Congress, the Bureaucrats, or the Administration is going to make any early...

Texas Will Get \$388 Million In Highway Funding

Washington — Senator Lloyd Bentsen said Tuesday that Texas will receive some \$388 million in federal highway funds during fiscal 1979, third highest among the 50 states. Bentsen, chairman of the Senate Transportation Subcommittee, authorized the Senate version of highway legislation under which the money is being apportioned. He was advised of the amount Texas is to receive by the Department of Transportation.

Amendments Finally Reach White House, But Carter Has Until Nov. 7 to Act, Action Needed by Individual Congressmen

Cattlemen all across the country were urged this week to call, write or wire their congressmen, senators and President Jimmy Carter urging the President to sign the Beef Import Bill amendments, which have finally been delivered to the White House. Cattlemen stressed the importance of the amendments, which provide a counter-cyclical method of limiting import permits to the beef exporting countries to the United States.

Industry complaints have been numerous that opponents of the amendments have been misrepresenting the legislation by calling it not in the interests of the consumer and inflationary. Proponents of the amendments point out that it will result in leveling out the supply of imported beef and will also prevent wide fluctuations in the prices consumers will pay over the years, since it will enable imports to increase when domestic supplies are tight.

The beef industry exerted heavy pressure last week to get the bill off the desk of the clerk of the House of Representatives and to the President. Timing of the arrival of the bill on the President's desk was important, since the industry wished him to make a decision on signing or vetoing it before the Nov. 7 general elections.

It was obvious that the Administration did not want to make a decision before the election to prevent any backlash against Democratic candidates before election.

Carter generally favored the amendments; however, he was reported to be tentatively opposed to those parts of it that would have restricted his power to veto.

(CONT. ON PAGE 20)

Pocket Veto Seen On Import Bill

The Carter Administration has successfully kept the most important amendment bottled up in the House Administration Committee. Because the bill did not reach the President's desk by October 24, the President will not have to make a decision on signing or vetoing it until after the November 7 election. Speculation continues that the bill will be left unsigned, which would amount to a "pocket veto". The delay is calculated to prevent a backlash of opposition against Democratic Congressional and Senate candidates. NCA officials met with Agriculture Secretary Borman last week after a press conference in which the Secretary said he had "no idea" whether the President would sign the bill or not. Kansas Livestock Association President Floyd Farlight questioned Carter about the bill during the President's appearance in Wichita last week. Carter replied, "Oh, yes, I haven't signed that yet, have I?"

Fed Cattle Trade Firm, Higher; Hogs Lower Monday at Markets

Receipts of slaughter cattle and hogs were both substantially higher Monday than on the same day last week. Fed steers and heifers were trading improved markets at most points despite about 1,000 larger supplies. Hogs were lower at most points, and several markets reported they closing prices were off more than sales earlier in the day. Slaughter cows and bulls were in light supply and generally unchanged. Some of last week's depressed beef and fed cattle prices were credited to the fact that most of the meat features in retail stores last week were pork or poultry. Price trends, quotations on choice and prime fed steers and heifers and on the mixed good and choice grades and on U.S. 1-5 hogs selling 200 to 280 pounds in most cases, included:

Omaha steers firm to 50c higher, heifers 25-50c higher. Steers 52.50-55.00 and 52.50-53.25; heifers 51.00-52.50 and 50.50-51.50. Hogs steady to 25c lower at 47.50-51.50. Sioux City steers 25-50c higher, heifers 50c higher. Steers 52.50-54.00 and 52.00-53.25; heifers 51.00-52.00 and 49.50-51.00. Hogs 50-75c lower at 46.50-51.00. Kansas City fed cattle steady with last Monday. Choice steers 52.00, good 49.00-50.00; choice heifers 51.50 and mixed good and choice 47.50-48.00. Hogs 50-75c lower at 46.50-51.00.

St. Louis steers were 50c to 1.00 under last Tuesday, heifers were 50c to 1.00 lower. Steers 52.50-54.50 and 51.50-53.00; heifers 50.50-52.00 and 49.50-51.00. Hogs steady at 49.00-51.00. St. Joseph fed cattle were steady with last Monday. Steers 53.00-54.50 and 52.75-53.25; heifers 51.00-52.50 and 49.50-51.00. Hogs steady to 25c, spots 50c lower at 49.00-51.00. Kansas City fed cattle steady with last Monday. Choice steers 52.00, good 49.00-50.00; choice heifers 51.50 and mixed good and choice 47.50-48.00. Hogs 50-75c lower at 46.50-51.00.

Cowman's Choice Sale Offers Quality Santa Gertrudis

Bolton K. Johnson, owner of Chaparral Ranches with headquarters near La Pryor, Texas, has announced the date November 18 of his fourth annual "Cowman's Choice Sale", one of the largest production sales in the Southwest and offering purebred Santa Gertrudis bulls and females, crossbred heifers, and using registered quarter horses.

"Although not original," said Johnson, "the concept of offering large numbers of quality cattle that will meet the standards of both commercial and registered breeders has certainly worked well for Chaparral and our customers, and we intend to continue this important part of our merchandising program. We are hopeful that the trend toward prices more in line with costs of production will continue and anticipate several profitable

One of the 100 big, rugged Santa Gertrudis bulls culling in the fourth annual Chaparral "Cowman's Choice" Sale to be held November 18 at the ranch near La Pryor. Also selling are 100 purebred Santa Gertrudis females with calf at side or bred, 100 bred commercial heifers and six registered horses.

years for that segment of our industry that has suffered the most, the cow/calf producer.

"On Nov. 18th, we will sell 100 certified S Santa Gertrudis bulls that are coming two's and three's. The older end of these bulls were used in our own herd this spring. We are also offering 100 purebred Santa Gertrudis heifers and 100 crossbred heifers. All of the females are guaranteed brood or have a calf at side. For those of you interested in using horses, we will again sell a few select registered fillies and geldings that have been ridden."

The Chaparral/Mirasol Santa Gertrudis cattle, featuring Sonar Poco and Masterpiece bloodlines, have been very successful in the show ring and in the sale ring for a number of years. Their value to both purebred and commercial cowmen is evident by the number of head that are purchased each year by repeat customers.

The sale activities begin Sunday afternoon, the 12th, when the cattle and horses are ready for inspection. That evening the Ranch is host to a cocktail buffet at the Uvalde Country Club. On sale day, the Chaparral cowboys demonstrate the "formando" with the ranch roundup. Lunch is served at 11:30 and the sale begins at 12:30.

Gulf Coast Hereford Bulls Average \$1,180

In its 26th Annual Fall Sale held in Columbus, Texas, on Oct. 17, the Gulf Coast Hereford Association sold 64 head of registered Hereford bulls for \$68,715.00, for an average of \$1,180, which is the highest average in the history of the Association. This broke the record of \$1,117 set in February of this year.

The champion single bull, which was calving April 2, 1978, and was consigned by the Millbrook Farms of Industry, He was calving May 1, 1978, and sold for \$2,175 to Cliff Everitt of Eagle Lake.

The reserve champion bull was calving April 2, 1978, and was consigned by the JDQ Hereford Farm of Burleson. Everitt was also the buyer of this bull for \$1,825.

The champion pen of bulls consisted of two bulls calving in October 1978. They were also consigned by the JDQ Hereford Farm, and sold for \$1,525 each to Frank Ramsey of El Campo.

This was the high selling pen. The reserve pen was made up of three senior bull yearlings consigned by R. T. Herrin of Houston. Leo Korenok & Sons of Garwood took two of the bulls, one for \$1,600 and another for \$1,100. Rolle Hereford Farm of Washington was the purchaser of the third bull for \$1,000.

Among some of the high selling bulls were two consigned by R. T. Herrin, one going for \$1,825 to Bar S Herefords of Houston and the other to Frank Ramsey of El Campo for \$1,700. Ramsey also paid R. S. Matson of Schulenburg \$1,600 for one of the two polled bulls in the sale. W. J. Torrell of Navasota bought a bull from the Rocking M Ranch of Giddings for \$1,500. Everitt paid Millbrook Farms \$2,075 for one, and he also bought one from Roy H. Herrmann of Caldwell for \$1,675.

The volume buyers were: Frank L. Ramsey of El Campo with six head for

The Ideal Range Bull

1978
Voted No. 1 by commercial cattlemen
for the 3rd year in a row!

He is lot No. 171. A consignment to the 1978 Western Stockman's All Breed Bull Sale at Fresno, California. He was voted by cowmen as "The Ideal Range Bull", from 272 entries representing 13 breeds. He was bought by a rancher.

Herefords fit the "Ideal" pattern, and have for over 100 years. The reasons are plain. Hereford bulls are FERTILE.

THEY ARE DEPENDABLE. THEY PERFORM. These are the traits of highest economic importance to the cow/calf operator.
AVAILABILITY. Ranchers buy more Hereford bulls at auction each year than the next two breeds combined. Some 100,000 registered Hereford bulls like him will be purchased by cattlemen this year! There is a reason!

Cooke Bull Tests Gaining Interest

Galveston, Texas — Interest in both gain testing bulls and purchase of them after test has increased sharply in recent months, reports T. J. Davidson, head of the agriculture department at Cooke County College and director of its Beef Cattle Evaluation Center.

Currently there are four different sets of Hereford bulls totaling 66 head, one set of 65 head of Angus, and 33 bulls in an all-breed group on test at the facility, with another all-breed test group to begin Nov. 1.

Hereford test groups consist of 22 bulls calving in September and October, 1977, which is scheduled for completion Oct. 29; 10 head born in November and December, 1977 for completion of test Dec. 31; a group of January and February, 1978 bulls, that will complete the test March 4; and a group of March 1978 calves that went on test Oct. 14 and will complete the test next March.

The college's second Southwest Hereford Symposium will be held March 30 and 31, 1978, after all the Hereford bull tests have been completed. Davidson said consignors of the

Lake Creek Herefords Gross \$263,480 In Herd Dispersion

Wichita Falls — Tom B. Medders & Son, owners of Lake Creek Ranch near here, grossed \$263,480 on 288 head of Herefords in their herd dispersion at Cooke County College and director of its Beef Cattle Evaluation Center.

Currently there are four different sets of Hereford bulls totaling 66 head, one set of 65 head of Angus, and 33 bulls in an all-breed group on test at the facility, with another all-breed test group to begin Nov. 1.

Hereford test groups consist of 22 bulls calving in September and October, 1977, which is scheduled for completion Oct. 29; 10 head born in November and December, 1977 for completion of test Dec. 31; a group of January and February, 1978 bulls, that will complete the test March 4; and a group of March 1978 calves that went on test Oct. 14 and will complete the test next March.

The college's second Southwest Hereford Symposium will be held March 30 and 31, 1978, after all the Hereford bull tests have been completed. Davidson said consignors of the

An overflow crowd on heads both days maintained a strong interest throughout the sale.

Three-quarter interest in the senior herd bull, Lake Creek Mischief, topped the sale, going to H. C. Moore, owner of the Circle G Ranch at Ennis, for \$3,800. Full possession and 500 ampules of his semen went to the new owner. The other quarter interest is owned by Deschamper Herefords of Boyd, Mo.

Mercer proved to be one of the top buyers, taking 14 of the females and many of the dispersal at side. His purchases also included the top selling females, including one pair for \$2,100, LC Advance Lass 12 by JPC Tax Onward 176 with a bull calf by Lake Creek Mischief.

The other four high selling bulls were Advance L1 Dom 1139 to MK Ranch at Muenster; LC Mischief 69 D4A to RX Ranch at Loving; LC Mischief 68 D4A to Gloria Ranch; and LC Mischief 76 D4A to B&H Ranch, at prices from \$1,450 to \$2,500.

When you expect to release the fish that you catch, bend down the barb on your fishhook with pair of pliers.

Smith Herefords Average \$761

Springer, Okla. — The Keith Smith Family's "20 Year Family Album Hereford Sale" here Oct. 9 grossed \$117,280 on 154 lots for an average of \$761. Guy Shull, secretary of Oklahoma Hereford Assn., managed the sale for which George Moore of Lenexa, Kan., and Bruce Brooke of Springer were auctioneers.

The 54 bulls grossed \$41,185 to average \$763 and 100 female lots \$78,085 to average \$781.

Topping the sale was S Sam Donald 701, a January 1977 bull purchased for \$2,000 by Dan Wolfartson of Ardmore. Three other bulls sold for \$1,200 each, one each to Carl Parish of Casher, Glen Turner of Ringling and Mike Brown of Duncan, all in Oklahoma.

The females were topped by a cow with bull calf purchased by Jud Little of Springer for \$1,650. Fred Ferrell Farms of Elgin purchased the next high

female lot, a cow with bull calf for \$1,500.

Another cow with a bull calf grossed \$1,325, the cow to Jud Little for \$975, and the bull calf to H. C. Moore, Springer, for \$850.

Hunt Herefords was one of the top buyers, so was Basil Vox of Vint, Okla.

Arizona National Show Judges are Named

Nolan K. Stevenson, manager of the Arizona National Livestock Show reports that the judges for the 1978 cattle and sheep divisions are as follows. The Angus judge for 1978 is Ed Winters, manager of the Rock-Cat Ranch in Littleton, Colo. From Santa Fe, N.M., to judge the Brangus class is J. Bennett of the BB Cattle Company, offshoot over the Charlotte and Felt Hereford class.

The Hereford R. O. M. show will be judged by Bob Sales from the V Ranch in Stanton, Texas. Jack Drees from the University of Arizona, Alamo, Extension Specialist at the University of Arizona and Dr. Mark Selke, a professor of Animal Science, also from the University of Arizona, make up the Stomach/Feed Judges.

The feeder steer judges will be George Strathairn from Mariposa, Calif., and Mr. Bill Cowan from Alamo, N.M. Coming from Oklahoma State University to judge the feeder steer and the junior heifers will be Betty Rick, an Extension Beef Specialist. Dr. Bill Jacobs, from the Animal Science Department at California Polytechnic University, will be judge of market lambs and ewes. Jim Jensen, Division of Sales, Oregon, is to minkling all the decisions for the sheep classes.

The 1978 Arizona National Livestock Show will run December 31 - January 1, 1978 at the State Fairgrounds in Phoenix, Arizona.

The sale was managed by The Cattle Marketing Group and Auctioneer was Gerald Bowie. Virtually every price record in the Beefmaster industry fell at Barfield Farms' "Doubleheader Beefmaster Sale" went down in history as the breed's most successful sale. A total of 13 new world price records were set with most of the cattle going to breeders in the South and Southeast. Only three lots sold west of the Mississippi River.

field Beefmasters to the market place, combined with the strong showing of Southern and Southeastern buyers, clearly established the Immokalee, Florida breeder as the nation's premier Beefmaster breeder and further established the Southeast as the most dynamic Beefmaster market in the nation. Barfield Farms is owned by the Fred Barfield family and managed by Travis Wise. The record breaking sale was managed by The Cattle Marketing Group and auctioneered by Gerald Bowie.

The sale was the industry's first "split schedule" event, with purebred cattle selling in the morning and commercial cattle selling in the afternoon. About 500 people attended the sale which attracted 38 buyers from 7 states.

Leading the parade of individual record-breakers was the great, four-year-old herd sire, "Crimson Warrior". Bred by Jack Dunn, Alice, Texas, and raised and proven by Barfield Farms, a ¼ interest in the bull sold for \$86,000, placing his total value at \$86,000, far above the prices received for previous record holders. The bull was bought by

Thompson Brothers Beefmasters, Mandeville, La., and Camble Creek Beefmasters, Parton, Pa. Barfield Farms retained a one-quarter breeding interest.

Seth Smith, Bear Creek Farms, Franklin, Tenn., established another world record when he bought a tremendous three-in-one package for \$23,000. The package included the cow and baby bull calf by "Big Tom" and her previous calf, a tremendous 11-month-old bull by "Wer Point" which had a 714 pound adjusted weaning weight.

Bob Grebo, Camble Creek Ranch, set another world price record when he paid \$7,000 for an open heifer.

Another individual world price record was set when Mrs. Ken Kamberg of Coral Gables, Fla., paid \$4,000 for a yearling commercial bull.

Cene Thompson, Thompson's Rocking T Beefmasters, established a world record when he paid \$1,900 for a second cross open Beefmaster female.

World records also fell in average prices. The overall purebred average was \$5,183 for 48% lots, almost double the previous record price. New price records were also set for purebred bulls: \$6,610; Three-in-ones — \$5,136.84; Bred heifers — \$3,357.14; Open heifers — \$2,985.71; and Commercial bulls — \$1,875.92.

The commercial sale was equally impressive as 49 bulls sold for \$90,450 for an average of \$1,845.92. Twenty-one first cross heifers averaged \$33,571 and six second cross heifers averaged \$11,116.87.

Heading the commercial sale was the purchase of the record selling bull by Mrs. Ken Kamberg. Major commercial buyers included Allapattah Properties, Inc., Indiantown, Florida, \$16,500; Overstreet Hensford Ranch, Klamath Falls, \$10,500. The proceeds from the sale of one commercial bull was donated to the Florida Cattlemen's Association by Barfield. The bull was purchased by R. Roberts, Immokalee, Florida, for \$2,000.

Major buyers at the sale included Camble Creek Beefmasters, \$50,300; Thompson Brothers, \$39,700; Bear Creek Farms, Seth Smith, \$28,800; Circle R Beefmasters, \$21,900; and Duckin Farms, Marion Junction, Alabama, \$17,800.

Hardin-Harrill Beefmaster Sale Grosses \$73,075

Crenshaw, Texas — Buyers from Texas, Oklahoma, Arkansas and Kansas paid a total of \$73,075 for cattle consigned to the Hardin-Harrill Beefmaster sale here Oct. 20.

Pet Cordell of Lone Oak bought the high selling bull consigned by Randy Harris for \$1200. Kenneth Wolfe of Ellis, Kan., bought the second highest selling bull for \$1175, one consigned by Galen Gates of Ponca City, Okla. Breeding age bulls averaged \$800 in the sale.

Martin Mapes of Dallas paid \$1075 for the top selling pair consigned by B. R. Moreland of Burnet. Moreland also consigned the second highest selling pair purchased by Hardin Farms of Waxahachie for \$1,000. Pairs averaged \$775.

Top selling bred cow was consigned by Rocking H Ranch and sold to Circle B Ranch, Plano, for \$1500. Bred cows averaged \$700.

Bred heifers averaged \$600 with the top selling one consigned by Brushy Creek Beefmasters that sold to Hardin Farms for \$1250; the second highest, consigned by Herrill, went for \$1000 each to Hardin Farms and Ar M Beefmasters of Kamp.

Open heifers averaged \$550 with the top selling one consigned by V. W. Carline of Georgetown going to Kenneth Wolfe for \$1800; and the second highest one consigned by Rocking H Ranch, Mequite, to Circle B Ranch for \$1200. Calves weaned in 1978 averaged \$425.

Volume buyers included Wolfe; Rocking H Ranch; Victor Lawie, Calmesville; Dr. R. M. Mechen, Dallas; Charles Galloway, Lone Oak; Hardin Farms; Seary and Waxahachie; Mapes; and R. D. McCall of Dallas.

Federal Subsidies

(CONT. FROM PAGE 11)
link 20 UPW field installations in California with UPW headquarters. He noted that the new CSA grant comes only weeks after UPW got grants of \$865,000 from the Comprehensive Employment and Training Act (CETA) program — a part of which would be used to train UPW microwave technicians.

Grant said it was easy to conceive the total cost of UPW's microwave system as "in the many millions," and he said he wondered where — and at what federal agency — the gravy train would make its next stop. "In an election year when the Carter Administration is holding forth the lure of tax cuts and economies in government, the continuing series of federal grants to UPW are an affront to its credibility," Grant said.

He added that, counting on earlier CSA grant for \$349,000 to buttress UPW's credit union, 1978 federal grants to the union from CSA and CETA totaled around \$1,754,000.

"Mr. Chavez is the first union leader we have heard of," charged Grant, "who had to have federal funds to build

his union." And, he added, "there is evidence that even as his facility for recruiting federal dollars grows cooler in Washington, his facility for recruiting farm workers grows more difficult in the field."

He said the American Farm Bureau would have a "continuing interest" in exploring the sources and circumstances of those grants, and a means to stop them.

ministration is going to make any serious efforts along this line are even more remote than the idea that Biancasi will roll prices or that labor will roll back wages. It just ain't human nature.

The reaction of whoever is involved can be likened to the reaction of the school teachers, city and state employees, and others who enjoy spending our tax dollars for us. It is an accurate picture of what will happen. When Proposition 13 hit you never saw a Brahmer Bull jump any higher when hit by a hot-shit than the School People did. They belatedly and bawled and recently had a meeting of Educators from all over the country to try and head off similar Tax Revolts and try to figure out how to get around it.

What is really worrisome is the fact

that the Pollsters say that, as of now, a majority of the people want wage and price controls, the mandatory kind. Public memory is notoriously short and this is a good example. If they can't remember President Nixon's mess up when he froze things in 1971 and by the time this set of controls was removed in early 1973 things were in such a mess that the economy slid into the worst Recession since the 1890's and we enjoyed what came to be known as Stagflation. Unemployment soared, profits sank, but in 1976 inflation grew at the rate of 6.2% and in the heart of the Big Recession in 1974, inflation soared by 11%. If folks have forgotten that experience in four short years, we have got a bigger problem than we all like to admit.

The Carter people are all jumping up and down and telling us all that there is no way Carter will slip an mandatory controls. That sort to aker us

good, since their track record is replete with sayin' one thing and then doin' jst th' opposite. To a man they vow "no controls" and in th' next breath they say unless Carter's Phase II works, controls will be next. So figure that out, if you can.

Meanwhile, we figure Inflation Control will turn out to be something like that Big Tax Cut Congress and Carter gave us recently. You may think you are going like it, but you better wait until you read th' Play Print.

Ever thing.

P. S.: Uhuh Dunk notes that no-buddy seems to want that top job in USDA as Deputy Secretary, which John White left to head th' Democratic Party set up. An interestin' thing is that th' hot prospect for this job is cow Leme Duck Congressman Jim Guy Tucker, who was turned out by Arkansas voters when he ran for th' Sen-

ate. Who is Tucker? Aw, you know, he's Carol Tucker Foreman's brother! And if you think the USDA is a mess now, imagine havin' two Tucker's in top jobs! Dunk notes Sacy. Bob Berglund has assured farmers and ranchers that there will be no mandatory price controls and that Carter will make no moves to control prices by increasing foreign imports to beat down U. S. prices. He won't! What happened on beef imports, Bob? — Theasell, Brothers!

Last-Ditch Fight

(CONT. FROM PAGE 1)

to increase imports when beef supplies do not justify increases and when more beef could damage the producers price-wise.

The Texas Cattle Feeders Assn. this week urged cattlemen to set and issued this statement:

"We're on the threshold of losing the Beef Import Bill amendments — amendments which would provide counter-cyclical import quotas and limit the President's authority to whimsically lift quotas. The bill is a result of two years' effort by NCA, TCFA and other cattlemen's groups. President Carter now plans to veto it and our last chance is to convince him that it is (A) politically important to a lot of cattlemen and (B) anti-inflationary. There are a few minutes — this morning — to send a telegram or telegram to President Jimmy Carter, The White House, Washington, D. C. To send a telegram or telegram is no trouble: just call a toll free number (800) 325-5600 if you live in Texas, or look under Western Union in the phone book if you live elsewhere and tell the operator you want to send a personal opinion message. The charge is next to nothing: \$2 for 15 words with a telegram; \$2.65 for 100 words with a telegram. It will be billed to your phone.

"With an all-out effort, the industry succeeded Thursday in getting the Beef Import Bill off the desk of the clerk of the House of Representatives and to the President. The idea was to get the bill to the White House soon enough to force him to set one way or

the other before Nov. 7 election — with the hope political pressure would force him to forego his pledge to veto it. However, it is almost too late now. The President has 10 days (excluding Sundays) to sign or veto the bill, or allow the pocket veto to take effect. If he takes no action, the pocket veto would be effective on Nov. 7 — "too late to affect the elections one way or the other," according to NCA staffers.

"So, unless the President's mind can be changed, the prospects are dim. The President's people continue to oppose the bill — fearing it will be construed as inflationary. NCA argues that not only would the bill increase beef availability for the next few years, it would also serve to stimulate rebuilding of herds — a move that would cut inflation rates about the time Carter is seeking re-election.

"But," says one NCA spokesman, "so far they won't even admit they understand what we're talking about."

Kermco Reel-Tite Exhibit Winner
Monroe, Iowa — Kermco Products celebrated seven years good luck with REEL-TITE fence tighteners recently, having won the award for the "Best Inside Agricultural Exhibit" at the Kansas State Fair at Topeka. Mr. and Mrs. Kermit DeHoff of Monroe, Iowa, manufacturers of REEL-TITE, captured their most recent award during the first show of their fall fair tour. The REEL-TITE exhibit was judged on visual display, demonstration and information.

REEL-TITE's small metal tighteners that take the slack out of wire fence without snipping and restricting. They can be used on any fence wire — high or soft tensile, smooth or barbed, new or old rusty wire. Twenty to 30 rods of four wire fence can be tightened in less than five minutes. The DeHoffs visit approximately 28 shows per year, demonstrating their product at beef expos, state fairs, farm shows and other cattle related shows. The REEL-TITE manufacturers have won several similar awards since production began in 1971. REEL-TITE's are sold primarily to livestock producers and those concerned with fence maintenance and repair. For more information, write: Kermco Products, R. R. No. 1, Box 184, Monroe, Iowa 50170; or call 515-256-2987.

Canadian Will Address Wheat Producers Meetings
The Honorable Rasmussen, Member of the Canadian Parliament, only hours after being re-elected Chairman of the Senate Agriculture Committee yesterday in Ottawa, notified the Texas Wheat Producers Association that he is accepting the wheat farmers' invitation to address their annual meeting and to jointly explore ways to strengthen world wheat prices to profitable levels in both countries, according to Bill Nelson, TWPA Executive Vice President. The session is scheduled November 30 in the auditorium of the Vernon Regional Junior College. Argue will address the annual convention of the Oklahoma Wheat Growers Association meeting in Oklahoma City December 1 after his Texas session.

Rio Vista Sales Averaged \$7,100

San Antonio — A large and enthusiastic crowd of buyers from Canada to Mexico and from Hawaii to Virginia made the Eighth Annual Rio Vista Production Sale one of their most successful. The October 21, 1978 sale held in San Antonio had 72½ lots gross \$615,400 for an average of \$7,100. The sale offering included 41½ Rio Vista lots and 31 premium winners from the Second Annual Rio Vista Futurity held the previous day. The 41½ Rio Vista lots grossed \$318,550 — an average \$7,700. The top selling lot of the sale was the one-half interest in Mary Hartman, one of the prestigious Rio Vista "Leading Ladies", selling to George Kleas of Prestige Simmentals, Franklin, Nebraska, on a bid of \$50,000. Mr. Dick Willard of Blasing Tree Simmentals, Ellensburg, Washington, purchased the top selling female, a Polaris fullblood polled heifer calf out of the famous Teresa D11 cow for \$38,000. A polled Polaris bull calf, the top brother to the top selling polled heifer, sold to Don R. Bishop of Palestine, Texas, on a top bid of \$18,000. A crowd of over 700 Simmental breeders were present at the sale conducted by four of America's finest auctioneers: Osborne Bart Reyes, Merrill Anderson, Bill Lefty and Curt Rodgers. Replacement Cattle Sharply Lower In Trade Last Week, Beef Shaky

St. Joseph, Oct. 27 (USDA) — National feeder cattle receipts 278,000 this week, 815,700 last week and 802,000 a year ago. Prices for feeder cattle and calves worked substantially lower over the vast majority of the nation this week. Continued pressure on prices for slaughter steers and heifers figured to be one of the major reasons creating a bearish atmosphere in the feeder market.

Dry weather over much of the wheat pasture producing areas provided another factor working as a depressant at the market place. Prices generally ran steady to 2.00 lower, some 8.00 off. Steer calves in Dodge City worked 5.00-6.00 lower and 2.00-4.00 lower, instances 7.00-8.00 off in Arkansas. St. Paul moved cattle weak to 5.00 lower. In the northeast, steers worked steady to 5.00 lower and heifers anywhere from 1.00 to as much as 5.00 lower. On the other hand, West Fargo jumped steady to 1.00 higher while Springfield, Mo., was 1.00-2.00 higher on steers.

To the mountain states, calves held

near steady with Whomping posting as much as 4.00 gains while yearling feeders suffered steady to 2.00 lower. Yearlings on the West Coast sold steady to 2.50 lower while calves were steady to 1.00 lower in California but late sales 6.00-8.00 off in Washington and Oregon.

C.O.B.A. Sets A.I. Training Courses Throughout Texas
Tyler, Texas — C.O.B.A. Select Sires has announced a series of A.I. and Palpatation Training Courses to be held in the last six months of 1978. Enrollment in the training courses will be limited.

Public Grazing Bill Signed Into Law

Washington — President Carter signed into law the first major revision of the public grazing laws since 1934. The Public Rangelands Improvement Act (PLR 10587) establishes a method for determining the fees charged ranchers for grazing livestock on the public lands and authorizes \$366 million over 20 years to improve the productivity of the public range for all multiple uses. The new law also orders the Bureau of Land Management to reduce overpopulations of wild horses and burros on these lands.

The new grazing fee formula would, for a 7-year trial period, reduce charges when beef prices are low and increase them when beef prices go up. The National Cattlemen's Assn., Public Lands Council and the National Wool Growers Assn. fought for the flexible fee as a means of helping ranchers "stay in business" in profitable years and as a more equitable way of measuring the value of the forage being sold.

Barber Ranch Bulls Average \$1,534

Barber Ranch, Channing, Tex., sold 58 bulls in their annual bull sale, Oct. 27, for an average of \$1,534, with the top 10 lots averaging \$4075. Cattle sold into 7 states, with the top bull selling for \$4000 to Perry Bolin, Mo. Sons: Tex. "Lowell" Hatcher, Viola, Okla., bought the second top for \$6000. Third high-seller was purchased by Larry Luodgen, Cove, Kan., for \$6800, followed by Rauch Hereford, Hovan, S. D., taking a top prospect at \$4700. Volume buyer was Howard Darrick, Eldorado, Tex.

Guest co-signer, S&C Cattle Co., Miami, Tex., sold 17 heifer calves for an average of \$1046, with the top going to Tre Lee, Axtell, Tex., at \$2000. The majority of the sale offering was mixed by Super ROM HH Advocate C786 "Hatcher", co-owned by Barber and S&C.

Youngblood Hereford Sale Averages \$815

Lamesa, Texas — Alton, Arlan and Kent Youngblood hosted Youngblood Hereford's highly successful fourth annual Hereford production sale Oct. 4 to an average of \$815 on 74 bulls and 356 on 24 registered bred heifers. Woodward Ranch at Graham paid the top price of \$1750 for the bull A.Y. Sam Donald 6346. Woodward also bought two of the other top selling bulls for prices of \$1,500 and \$1,600 each.

VOID CHANGING WEAR LEANERS
FOR MANY YEARS
Perma-cups are molded urethane,
more wear resistant than nylon.
Perma-cups will outlast leathers 10
to 1. Their tapered design allows only
1/8" wearing, instead of 5/8" of a lea-
ther. Much less friction for easier
pumping extends cylinder life greatly.
Perma-cups must be used in a good
or new cylinder, as they do not swell.
Install Urethane Perma-cups, Ure-
thane Pump Rod-guides, and don't pull
that well for many years. Thousands
are in wells that have not been tested
in 8 years! All are available in
standard cylinder and pipe sizes. Write
or call for our catalog. We ship same
day order is received. This is our 28th
year serving ranchers.

Lone Star Testing Center Lists 70 Bulls for Session

All bulls have arrived at Lone Star Testing Center near Wichita, Tex. There are seventy bulls for this year's test. The consignors are: Fred Cese Ranch, Eldorado, Texas; Earl Lloyd, Eldorado; Foster Price, Sterling City; Little F Ranch, Sterling City; Jackson Bros., Abilene; Burlesmith Ranch, Tatum, New Mexico; R. A. Flowers, Miami, Texas; Kring Ranch, Edon & Edon, Texas; Massey Ranch, Wickliff. The bulls are now on the 21 day warm-up and the test will begin on Oct. 22. The test center is owned by Som Massey and has the cooperation of Texas A&M University extension service. The bulls will be weighed on 28 day intervals and indexes for ratio of gain, weight per day of age, fat to muscle ratio, soundness and quality will be computed. The test will end with the sale of 80 top bulls on February 17, at the test center. Visitors are welcome anytime.

Spur "Performance Sale" Sets Pace

Spur Ranch's annual bull sale is considered a yardstick for the Angus breed each year. The results of this year's "Performance Sale" provided optimism for the breed as 78 Angus bulls in the sale averaged \$1,411.

The "Performance Sale", held at the ranch near Vinita, Oklahoma, grossed almost \$200,000 on the 218 lots of Angus and Angus-cross cattle. Buyers from seven states including South Dakota and Ohio bid on the bulls from the outstanding Spur Ranch herd. An enthusiastic crowd of over 380 filled the ranch sale barn.

The high selling bull, a son of Spur Emulous Meator 50, out of a granddaughter of Emulous 50 of K. Fride, went to Morie Hubbard of Eastland, Texas and Carlton Corbin of Pittsburg, Oklahoma for \$2,000. Bill Barnett paid \$2,800 for one of the four Oklahoma State University bulls in the sale. Twenty-three Angus-cross bulls averaged \$1,141 with the top one going to C. E. Harms of Dustin, Oklahoma. The club calves averaged \$677 and 110 commercial bred Angus heifers averaged a good \$661.

Volume buyers in the sale were Wayland Smith, Pawhuska, Oklahoma, with 18 lots and Fred A. Drummond, also of Pawhuska, with 12 lots. Other buyers at the "Performance Sale" were: R. G. Wilmsa, Newport, Arkansas; Andrew Handke, Verdun, Oklahoma; Phil Adams, Eureka, Kansas; and Shermoo Chidister, Pryor, Oklahoma. Also, Coble Brothers, Howard, Kansas; Ray and Jim Perkins, also of Howard; Rafter D Corporation, Hominy, Oklahoma; Larry Reeves, Dexter, Kansas; Keith Smith, Atoka, Kansas; and Victor Roach, Atoka, Oklahoma; and S. R. Hall and Soe, Stigler, Oklahoma. Auctioneers were Roy Sims and Sonny Booth.

Amerispain

Amerispain is a new Copyrighted American Breed, and here are several reasons why it is important to you whether you are a commercial or Registered Breeder.

Amerispain in going to take a lot of problems out of Cattle raising, and put a lot more money in the bank at the end of the year, all for different reasons than you are used to hearing.

The Breeding Combination which are involved in Amerispain have already been tested by hundreds of breeders and proven to do it all good or better than anything else.

We could fill this Magazine with documents, facts and figures from both breeders and Colleges alike, but better yet come see us, or let us come see you.

You can enroll your own cows and be off to a great start, or we have foundation heifers for sale now from the background of several choices.

There is always a definite advantage in being among the first in any breed program.

You not only will prosper by being first in your area or state to produce such outstanding cattle, but we offer a tremendous opportunity for those who qualify as operators for the breed. These are needed in many sections of the country.

If you want to do something worth doing, contact us soon. We are going ahead, and hope you go with us.

Claud Willett ROM Hereford Show Had Strong Competition

TULSA STATE FAIR

A busy time grand champion hereford at the Tulsa State Fair. The grand champion female awarded at the \$10,000 Register of Merit Hereford show during the Tulsa State Fair. The winner, O&S Miss Arthur B41, owned by the Friedman family's Lona Star Hereford Ranch, Henrietta, Tex., was earlier the spring yearling class winner. The show honored the soon-to-be retiring Claud Willett, American Hereford Association and Journal field representative. Shown with the winner, left to right, are: owners Kerry Friedman and Mrs. and Mrs. Sam Friedman; honoree Claud Willett; Judge James Bright, LeGrand, Calif.; Miss Shawn Smith, Conwell, Oklahoma Hereford Queen; and the halter is Rod Ogren. Tulsa, Oct. 5 - Register of Merit Hereford activities at the Tulsa State Fair honored Claud Willett, American Hereford Association and American Hereford Journal fieldman in Oklahoma for the past 12 years.

Breeders and friends from several states gathered in large numbers to pay tribute to a special banquet to Willett. He was also presented a new pickup truck to honor his long and faithful service to the Hereford industry by Oklahoma Hereford breeders. Willett, a native and resident of Greenfield, Mo., will retire effective December 31, 1978.

In addition to the festive time honoring Willett, the ROM Hereford competition found a strong show represented by breeders from nine states and Canada competing for \$10,000 in prize money.

The bull show found a number of bulls with an impressive string of wins at different shows and meeting head-on for the first time this season. James Bright of LeGrand, Calif., made the place and selected as his grand champion bull B&C L1 Adv Don 310, a spring yearling bull owned by B&C Cattle Co., Miami, Tex., and Adams Bros. and Co., Kilgore, Neb. Indian Mound Farm, Now Harmony, Ind., claimed the reserve grand champion bull award on their second-place spring yearling entry, Advance 4049 Chaf.

In the female competition, a several times champion this show season captured the grand champion award. Owned by the Friedman family and shown under the banner of their Lona Star Hereford Ranch at Henrietta, Texas, O&S Miss Arthur B41 won the top award. The reserve grand champion female award went to M&M Miss Mich 2777, owned by M&M Hereford Ranch, Hermosa, So. Dak.

Calf champion of the bull division was Commander, exhibited by Indian Mound Farm. In the calf division of the female show, Mary McDonnell, Willard, Mont., claimed the purple on MJB Miss Advance 778.

Other class winners follow: Junior Bull Calf, Circle L Ranch, McAdams, Miss. Winter Bull Calf, B&C Cattle Co. Summer Yearling, B&C Cattle Co. Junior Yearling, Barber Ranch, Okmole, Tex., and Cook Cattle Co., Stillwater, Okla., on BR L1 Advance 708.

Senior Yearling, Indian Mound Farm. Two Year Old, Double H Ranch, Garnett, Kas., and Stillville Ranch, Williamsburg, Kas. Junior Heifer Calf, Indian Mound Farm. Summer Yearling, Greg Choquette.

This additional money, IH will better utilize its plants to assure continued manufacture of high-quality, reliable products.

New Angus Program Offers Quality Beef To Nation's Consumers

A program designed to provide consumers with high quality, tasty, tender beef every time they shop was launched in Columbus, Ohio, October 18 by the American Angus Association and Renzetti's ICA Feed Markets.

Angus beef, certified to meet rigid quality standards and to be produced only from Angus cattle, went on sale for the first time nationally in the two Renzetti's ICA Food Markets and the first day it accounted for over 50% of the two stores' regular beef sales, according to manager Bob Renzetti. "We are very happy with the early results," said Renzetti. "Our meat manager says that we are doing two meat cases to Certified Angus beef instead of the one case as originally planned."

"This is the beginning of a national Certified Angus Beef program that will be offered to packers and retailers throughout the country," said Dr. C. K. Allen, executive secretary of the 40,000 member American Angus Association with headquarters in St. Joseph, Missouri. "This marks the first time to the history of U.S. beef production that a breed association has helped identify and market its cattle to the beef consumer. We are confident that the program will take root and the consumer will help assure the shopper of consistent high quality beef and eating satisfaction."
